

## C I R C U L A R !

HEAD QUARTERS, ARMY of the MISS.,  
Medical Director's Office,

Gorinth Miss., April 16th, 1862.

All Medical officers connected with this army as Hospital or Regimental Surgeons — commissioned, serving under contract or as volunteers — in charge of any station in the interior of the States of Alabama, Mississippi, Tennessee, Louisiana and West Florida, are hereby directed to report to the Medical Director at this place, by letter, without delay, stating troops with whom they are on duty, date of commission or contract, and by whose order they were placed on duty, by whom the contract was made, and the rate of compensation.

*A. J. Howard.*  
Surgeon and Medical Director.
